"Encouraging Ministry for the Pastor and in the Pews"

Rough Riders 4 Christ

May / June 2025

"In every thing give thanks: for this is the will of God in Christ Jesus concerning you."
1Thessalonians 5:18

Dear Pastor and Praying Friends,

Marsha and I are truly thankful to be an encouragement and blessing to many Pastors and Families that we have been with. Many, many miles on the road in our "Little Jimmy" (GMC) along with hours of interesting conversations and enjoying life together.

We have been extremely blessed to be both available and called on to encourage, teach, and see lives changed by the preaching of the mighty Word of God. The calling of God to be at His beckoning call, to move at a moment's notice is very exciting and challenging to say the least.

It is always a great honor to be trusted to fill the pulpit for a Pastor that needs to be away, but we have been blessed to preach a Missions Conferences and Revival in the past 6 weeks. The Lord has blessed us with 4 new churches that have taken us on for support. We appreciate those that have seen the need and have volunteered to take a part in this ministry. Pray with us that more churches will see the need of this ministry and help with monthly support.

In the month of May, Marsha was asked to present a Ladies Bible Study on "**Lydia the Seller of Purple**" from **Acts 16:14** for churches in two different states. Marsha has a marvelous Lavender field where she is able to harvest the beautiful smelling flowers and make healthy natural products to sell. Since we do not have CD's or Books for sale, churches have asked us to bring her products and set up a display to explain the healthy benefits from this flower. It has been exciting to see the great response after they have tried her products.

Our Fall and Winter calendar is beginning to fill in so if we can be a blessing and a help in any way please contact us soon.

*We need to stand **UNITED**, to stand **STRONG**,
knowing that we can be a blessing **TOGETHER**.*
